

# GENERIC COMMUNITY GROUP GUIDE

## INTRO

The bible is God's message to humanity. In it he reveals who he is, who we are, and how he's been working throughout human history to rescue us from our sin. The bible is the word of the all-powerful God of the universe. Every single section offers something essential. God's word will speak for itself; really all we need to do is sit and listen.

*All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work. 2 Timothy 3:16-17*

Below are questions you can use with just about any section of scripture. As you lead others in these questions, be sure to read through them ahead of time and tweak them as necessary to fit the passage.
